# Sherif Alaa Abdel Moneim

(+20) 1012983148 | Alexandria, Egypt

sherefalex34@gmail.com | linkedin.com/in/sherif-alaa | github.com/Sh6rif-Alaa

## Profile

Junior React.js Developer with hands-on experience in Information Technology and building responsive, scalable web applications using JavaScript, React.js, Next.js, and TypeScript. Skilled in user interface design, state management (Redux Toolkit, TanStack Query), and form handling (Zod, React Hook Form). Leveraging expertise in debugging and project management to deliver clean, maintainable code and contribute to professional development teams.

## EDUCATION

**Benha University**  Sep 2020 – Jun 2024
Bachelor of Science in Computer Science – GPA: 3.4/4.0  Benha, Al-Qalyubia

## EXPERIENCE

**Digital Egypt Pioneers Initiative (DEPI)** | *AST-React Frontend*  **Nov 2025 – Present**
— Engaged in 200+ hours of advanced technical training in React development combined with professional soft skills and freelancing fundamentals.
— Strengthened personal branding, CV writing, and effective project scheduling through 10+ structured coaching sessions and real-world practice.
— Enhanced soft skills and professional English for workplace and client interactions through 20+ hours of intensive simulations.

**Route Academy** | *Front-End Development Track*  **Mar 2025 – Sep 2025**
— Completed intensive front-end training covering HTML5, CSS3, JavaScript (ES6+), OOP, Bootstrap, Tailwind CSS, TypeScript, React, and Next.js.
— Developed 5+ production-ready projects including a full e-commerce platform using Next.js, Redux Toolkit, NextAuth, Zod, and React Hook Form.
— Built a social networking application featuring 10+ interactive components with modern UI using DaisyUI, Zod, React Hook Form, and React Query.

## Projects

**E-commerce Platform Development** | *Next.js, TypeScript, Redux Toolkit, Tailwind CSS, NextAuth, Zod*
— Developed a modern e-commerce platform with 10+ pages, integrating 15+ API endpoints for product browsing, authentication, cart management, and checkout features.

**Social Media Web Application** | *React, DaisyUI, Zod, React Hook Form, React Query*
— Built a social platform with 5+ core modules allowing users to create posts and interact through comments.

**Admin Dashboard** | *React, Firebase, React Query, Material-UI*
— Designed and implemented an admin dashboard for managing 100+ products with full CRUD operations and real-time data handling across 4+ management modules.

## Certifications

**AST-React Frontend Web Developer Program**  **Nov 2025 – Present**
— Professional program focusing on advanced React development, soft skills, freelancing, and workplace communication.

**Route Academy — Full React/Next.js Path**  **Mar 2025 – Sep 2025**
— Completed professional training in modern front-end development using React, Next.js, TypeScript, and UI frameworks.

## Technical Skills

**Languages**: TypeScript, JavaScript, HTML, CSS, SCSS, Git
**Technologies/Frameworks**: React, Next.js, Tailwind CSS, Bootstrap, Redux Toolkit, TanStack React Query, Zod, React Hook Form, Shadcn/UI, NextAuth
**Other**: Software engineering concepts, SOLID Principles

## Soft Skills

Troubleshooting, Problem-Solving, Critical thinking, Reliable

## Language Skills

**Arabic:** Native | **English:** Very Good
